Dear Steve:

This letter confirms that Carr & Ferrell LLP has submitted a *Request for Withdrawal* with respect to our representation of RealNetworks, Inc. in the present application. We submitted this request in that we have not yet received instructions on how to proceed with the prosecution of this application and, further, in light of your June 30, 2006, submission of a *Revocation of Power of Attorney*. While that request was denied for failure to submit a 3.73(b) Statement, we nevertheless have interpreted that submission as your desire to have the attorneys and agents associated with customer number 61857 handle the ongoing prosecution of this matter.

We expect this request for withdrawal to be granted and that all future correspondence from the Patent Office will be directed to the address associated with the aforementioned customer number. We will, of course, forward any misdirected correspondence in the interim. Please note that this application presently has an office action response due no later than September 23, 2006, which includes a three-month extension of time. Please be advised that you risk losing rights in the above-referenced patent application if you do not respond to this action in a timely manner. For the sake of clarity, Carr & Ferrell LLP will not respond to this office action.

If you have any questions, please do not hesitate to contact me.

Sincerely,

V. Randall Gard
